Renewal Parts for your IMA System

We Stand Behind our IMA Systems

FisherTech supplies original replacement parts for your IMA equipment. Manufactured to the highest standards, ensuring your IMA system continues to operate to the same performance level as when it was first installed. Our large inventory means same-day shipping of most renewal parts. Parts come in various sizes depending on your machine type.

Here are a few examples of the hundreds of parts in our renewal parts inventory.

Plunger		Gooseneck	
Thermocouple		Melt Pot	
Moving Mechanism Retrofit Kit		Element for Melt Pot	
Flat Faced Fixed Die		Nozzle
